

## 12 days of review of the recipe and exploration beyond the recipe to meet client's needs, in Geneva

3 times 4 days  
for Rolfers™ and Guild members  
4 years of active practice required  
**Instructor : France Hatt-Arnold**  
**August 30th to september 2<sup>nd</sup> ;**  
**October 11th to 14th ; December 13th**  
**to 16th 2018**

In these 12 days you will enhance your capacity to :

- Bring security in your organism when you work by integrating gravity at every steps of your session
- Meet and manage client's needs throughout the session
- Determine where to work, binding Rolf Movement™ analysis and manual testings
- Find guidance and security in your touch by resuming which are the necessary places to work on, listening and informing fascia at the requested layers
- Create security in your choice of strategy for each session and adapt your decision making during the course of the session
- Help client negotiate gravity, lying, standing, sitting and walking
- Accompany clients to explore the before and after and come to meaning at the layer of their needs

Each day will be devoted to some aspects of the 10 sessions of the recipe.

The functional objective of each session will be deepened.

Rolfing manipulations will include some visceral and cranial work for necessary purposes.

During the course of the module you will exchange different practica with your partners and one whole session with an outside model.

Your questions are one of the necessary juice of this class !
